A note before you start:

This recipe can be served over ice and topped off with club soda. If you have festive glasses to serve it in, even better! I prefer to put the cocktail mixture into a shaker filled with ice and served in a martini glass.

Ingredients:

3 oz of Vodka of your choice

3 oz of Pomegranate juice

4 oz of freshly squeezed orange juice

2 oz of freshly squeezed lime juice

2 oz of orange liquor (such as Contreau, or Triple Sec)

Club Soda to taste

Pomegranate seeds for garnish

Step 1: Freshly squeeze the orange and lime juice.

Step 2: Mix all of the fluids together (except the club soda) in a pitcher.

Step 3: Add a few pomegranate seeds to your glass of choice. If serving over ice, add the ice as well. Pour half of the mixture into a tall rocks glass. Top off the glass with some club soda to taste. Or, fill a cocktail shaker with ice and pour the mixture in and shake vigorously for 30 seconds. Pour into a martini glass.

Cheers!

Cheers!
