A note before you start:

I find this to be a very versatile cocktail in that you can use vodka or gin, and you can use a sparkling cider (non alcoholic) or Prosecco, or San Pellegrino or seltzer.

Ingredients:

1 1/2 oz of gin or vodka

1 oz of St. Germain Elderflower liqueur

3/4 oz of freshly squeezed lemon juice

3 oz of sparkling cider or Prosecco

Twist of lemon for garnish

Step 1: Fill a cocktail shaker with ice. Add the gin or vodka, St. Germain Elderflower Liqueur, freshly squeezed lemon juice. Cover and shake vigorously for about 20-30 seconds.

Step 2: Using a strainer, pour the cocktail into a glass and top with sparkling beverage of choice. Garnish with the lemon twist (after rimming the top of the glass with it.

Cheers!
